

**DID YOU KNOW THIS ABOUT VAT REFUNDS?**

## Did you know that your company can get VAT refunds from costs incurred abroad?

The most common costs which you can apply for VAT refunds are:

- hotel accommodation
- restaurant costs and representation
- internal passenger traffic, such as taxi and bus
- car rental
- courses, training and seminars
- fairs and exhibitions
- mail, telephone and facsimile costs
- fuel
- warranty repairs
- subcontracting.

Even small invoices make a difference: For example in Germany, the hotel invoice of 100 EUR contains 19 EUR VAT and hundred hotel invoices contain 1 900 EUR refundable VAT. One fair stand can easily cost 5 000 EUR which means that refundable VAT on one invoice is 950 EUR.
